HAY ALWAFAA PROJECT

The Sultan Haitham City is home to the latest innovative residential projects, with “Hay Elwafaa” standing out as the first of its kind in the region. This district spans one million square kilometers and embodies an advanced vision for sustainable urban living.

The features of “Hay ElWafa” Infrastructure integration

The neighborhood stands out for its advanced infrastructure that comprehensively meets the residents’ needs, including roads, facilities, and public services.

Environmental sustainability

The neighborhood relies on advanced technologies to preserve the environment, such as material recycling and providing eco-friendly public transportation

Diversity of the population

The neighborhood encompasses a diverse range of residential options catering to the varied needs of different segments of the community.

Social amenities

The neighborhood stands out for providing a variety of social and recreational facilities, making it an ideal destination for living and enjoying a high quality of life.

AL-ABRAR
REALESTATE

THE DEVELOPER

Al Abrar Real Estate was established with in the arms of Al-Siyabi International Group, founded in 1997, reflecting an exceptional vision for creativity and innovation.

It has excelled in providing design services with uniqueness and distinction, focusing on a diverse range of areas including shopping centers, offices, hotels, multi-use complexes, and residential buildings and others.

DISCOVER THE INSPIRING FUTURE

Hay Al Wafaa in Sultan Haitham City boasts a unique blend of natural beauty and urban development, making it an ideal destination for living and enjoying a high quality of life. Traditional values seamlessly intertwine with technological progress, rendering the neighborhood a true reflection of the community's aspirations towards a bright and prosperous future.

Hay Al Wafaa, residents have access to everything they need for a comfortable and luxurious life, including modern facilities such as schools, hospitals, stores, and restaurants. Additionally, there are recreational areas and green spaces for enjoying nature and tranquility. Additionally, Hay Elwafa is characterized by cultural and social diversity, bringing together residents from various cultures and nationalities to form a cohesive community that lives in peace and understanding.

Thanks to this cultural blend, the residents of Hay Al Wafaa can continuously learn and evolve, giving the community a vitality and dynamism like no other. In general, Al-Abrar neighborhood serves as a prominent example of striking a balance between preserving heritage and embracing continuous development, making it an ideal place to live and enjoy a life full of opportunities and rich experiences.

Apartments

An architectural rendering of a modern, multi-story apartment building. The building features a prominent white facade with a grid of windows and balconies. The ground floor is a mix of brick and large glass windows, suggesting a retail or commercial space. In the foreground, there is a paved plaza with a circular pattern, where several people are walking. A dark car is parked on the left, and a white car is on the right. The sky is a clear, light blue with some light clouds. A large, semi-transparent circular graphic is overlaid on the right side of the image, containing the text.
